

Book List for Grades 9—12

The two Diana Waring books, along with Church History, are the main history texts. You don't need to purchase a writing book this year as I will be drawing from several sources, including *The Lost Tools of Writing* and sources from the Institute for Excellence in Writing. The only English resource you will need is "The Words You Should Know in High School" which will be used for several years. I will be sending a course description for *Composition & Literature* and one for *World History* as soon as I fine-tune them.
